**Amity International Model United Nations
12-14th October, 2022**

Message from the Chairperson

Dear Delegates,

I extend a warm welcome to all the delegations from all over the world, and across India participating in the 13th Chapter of Amity International Model United Nations. It is indeed phenomenal that AIMUN has left a blazing trail of glory, of legacy, of historic milestone, of sculpting leaders across the globe for over a decade now. AIMUN is the flagship International event of Amity Educational Resource Centre, Amity Group of Schools and this prestigious platform of purpose is today acclaimed as a resplendent event across the globe.

The Amity universe has proved its mettle par – excellence by transforming every challenge into opportunity. It suffuses me with pride to state that we are the pioneers to explore and shift to an alternate plan of virtual education in the wake of an unprecedented global crisis – COVID 19. The core tenet of Amity philosophy lies in transmuting challenges into a chalice of life changing experiences – e-AIMUN is a gigantic step in this direction.

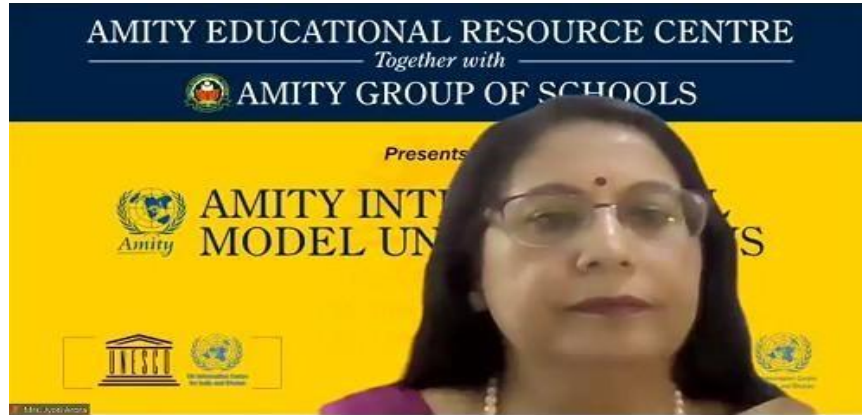

This year, the AIMUN conference has a wide range of enthralling and mesmeric agendas and committees, to ensure that every delegate has the chance to learn and grow, to discover the power of team work and to contribute towards making a better world. A better world will not be made by itself; it is up to the youth to take up the mantle of responsibility in order to bring about a difference. In this era of globalization, it is only the youth of today, who with their unfathomed potential to harbinger epochal change in the world, can be entrusted to lead us towards humanity and peace. With their innovative ideas, unwavering zeal, unparalleled commitment, and boundless energy, they can harness the resources of the planet and shape its destiny in a better way.

Colin Powell once said, “Great leaders are almost always great simplifiers, who can cut through argument, debate and doubt, to offer a solution everybody can understand.” Concurring with this philosophy, we are nurturing the youth around the AIMUN universe. This e-AIMUN would be a large family welcoming everyone from across the globe to be partakers in this wonderful life changing odyssey. I wish you all the best for this conference.

**Dr (Mrs) Amita Chauhan,
Chairperson,
Amity Group of Schools**

Message from the Charge D'Affaires

Dear Delegates,

I take this opportunity to welcome you all to the 13th edition of *Amity International Model United Nations* and the 3rd virtual AIMUN. Here is yet another chance for you to debate, discuss, manifest ideas and step into the roles of future leaders.

I would like to express my feelings of gratitude towards our honorable and esteemed Chairperson, Dr (Mrs) Amita Chauhan ma'am, a true visionary who has given us this unique opportunity of simulating Amity International Model United Nations under the aegis of Amity Educational Resource Centre (AERC). Ever since the inception of AIMUN in 2010, AERC has organized 12 AIMUN conferences in India and 2 abroad, namely Dubai and Singapore.

The world around us is more dynamic today than ever before, and it is time to invoke within ourselves the tenets which bind us to the service of mankind. It is only when we allow courage, determination and solidarity to dictate our actions that the international community will get back on its feet, hopefully arising with a comprehensible vision and a solution to the pandemic

As you step into the shoes of a delegate and commence your journey spearheading with conviction, do allow integrity, humility and compassion to lead you in the right direction. Remember the person you are looking for, is the one you would need to become!

Jyoti Arora,
Charge D'Affaires, AIMUN

Director,
Amity Educational Resource Center
Amity Group of Schools
